**CRAFT  
CLUB**

**YAY!**

This craft takes a little bit more effort than other ones we've created.. but it's so worth it!

**CRAFT INSTRUCTIONS**

Color in the craft.. we suggest using colored pencils if you got 'em!

Cut along all the dotted lines starting with the outside white trim.  
Then cut out all the doors.

**\*IMPORTANT\***

Make sure to cut the white dotted line in the very middle of the page (between the words MATTHEW & GETHSEMANE)  
You can cut this last part easiest if you fold the page in half booklet style and then cut the page along the white dotted line.

Fold along the 4 thin grey lines that run down the middle of the vines and columns.  
Then fold the page in half, hot dog style..

Pop the craft up so that all doorways are against each other.  
Reinforce the craft by taping or gluing any parts together.
